Re-Energizing Organizations! Finding Your Second Wind In A Warp Speed World

BANKING

Bankers are gasping for breath as they face sweeping reform, increased regulations and increased FDIC premiums, with everyone feeling the squeeze on fee income. Jack re-energizes attendees who are frustrated with the continued intrusion by the Fed. Through his research, he has geared his focus toward creating new efficiencies and building stronger customer loyalty.

Keynote:

Re-Energizing The Banking Environment
Finding Your Second Wind In A Warp Speed World

Has the speed and complexity of the new banking environment sucked the very life out of you?

Do you find yourself numbed by the deluge of new regulations?

Jack will show you how to infuse new energy into all departments of your financial institution in this rapidly changing industry.

In *Re-Energizing Banking*, he identifies power strategies, innovative approaches and untapped resources for delivering superior customer service.

Seminar:

Overcoming the Disconnect In Banking
How to Reconnect & Return to What Works NOW

Everyone is feeling the heat. Helping your employees understand the pickle you're in is paramount in recapturing your organization's energy. It's "All Hand's On Deck". A reemphasis on outstanding customer service is your best survival strategy.

"You were a smash hit in Austin! Your presentation was perfect for the audience."
